## The King's Voice

**KEEPING THE SABBATH HOLY**      **By Deacon Ed**

**SABBATH IS HOLY:** To be Holy means to be set apart for a special purpose. The Sabbath is a day that is set aside for thinking about God.

For the Jewish people it begins at sundown on Friday. Jewish days begin in the evening because the creation story in Genesis reads "there was evening , then morning, the first day" and then it goes through Saturday. For many Christians, Sunday is the day of choice because that is the day Jesus rose from the grave. It doesn't really matter what day we choose but it is good to have a day that is different from other days.      *Continued on pg 2*

**On January 6<sup>th</sup>, 2017 @ 7:00p.m.**

Christ the King will present a Boar's Head Festival for our community. The entertainment offered as part of the festivities includes a Boar's Head Procession.

The presentation of the slain Boar's Head signifies the triumph of the Christ Child over sin.

There will be a sign up sheet next in next week's bulletin.

This is the first E-voice. There were 3 requests for printed copies. Those copies will be on the table in the hall. If you find you want a printed copy, please call the office. I want to say a great big THANK YOU to Debbie Dale and Betty Collins for being my helpers.

Some people use it as a day to do family activities, spend time doing an activity together.	It is good to go to Church during the Sabbath time. If you cannot do that, maybe you can join with someone else for a time of prayer, or Bible reading, or to sing a few hymns.	celebrate the Sabbath. Take time to be with God; to renew your soul and to celebrate life, no matter how you feel or what you do or who you are, you are a child of God and He loves all of us, Amen.
Make time for prayer and reflection: doing something that will take your mind away from everyday things.	So I say to you, find ways to	

Let me tell you a story about four friends who had just finished a game of golf and were having lunch. Billy Bob asked Earl how many strokes he had on the 18<sup>th</sup> hole. Earl indicated it was five or six. Billy Bob laughed and told him he had only marked down three and that was cheating. Billy Bob told Earl that he had cheated and that was one of the Ten Commandments. Earl argued that it was not a commandment. So Billy Bob suggested that they write down the Ten Commandments. Well, Don didn't think he could remember them all, but he could name the seven dwarfs. Ron agreed that he probably couldn't do all Ten Commandments, but he could name all the reindeer. So, with Billy Bob taking notes, they set out to name all of the Ten Commandments. Would you believe they came up with thirteen commandments.

Just to remind you, God personally gave us the Ten Commandments on two large stones. You can find this in Exodus 20:2-17. The purpose was to give his chosen people, the Israelites, God's part of the covenant; the Israelites part was to live by them and teach them to their children. Well, as the golfing buddies figured out, you can't live by them and teach them to your children if you can't remember them.

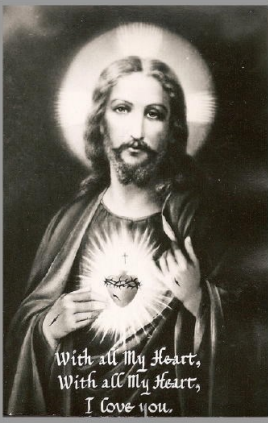

So we'll make a challenge out of this. Following are the thirteen commandments they came up with. Some of them are not exactly what is in the bible, but you will get the idea. You, without cheating, will put the correct number on the line in front of the commandment. THEN you can look them up and see if you were right, or you can wait until next month's newsletter to see if you were right. Beginning this month, there will be a separate challenge for you to answer in the next few newsletters.
