After suffering a family tragedy, Mack Phillips spirals into a deep depression that causes him to question his innermost beliefs. Facing a crisis of faith, he receives a mysterious letter urging him to an abandoned shack in the Oregon wilderness. Despite his doubts, Mack journeys to the shack and encounters an enigmatic trio of strangers led by a woman named Papa. Through this meeting, Mack finds important truths that will transform his understanding of his tragedy and change his life forever.

MEMORY RESEARCH SUITE—ANYONE interested in being screened for memory issues PLEASE READ the information below:

**NEWS RELEASE**

Contact: Jill Smith (813) 974-1294

**USF Health Byrd Alzheimer's Institute to bring mobile Memory Research Suite to Lakeland Publix Shopping Center at Plantation Square**

*Stop by to learn more about research programs for individuals with diagnosed memory loss, and prevention trials for individuals with memory disorders*

**Tampa, FL – (Feb. 22, 2017)** The [USF Health Byrd Alzheimer's Institute](#) will bring its 53-foot-long mobile Memory Research Suite to Lakeland, FL from March 6 - 8 so residents can learn about research programs for individuals with diagnosed memory loss, and prevention trials for individuals with memory disorders.

In addition, free memory screenings\* are available (by appointment) on the mobile suite. A screening consists of a series of questions and tasks. Memory screening is recommended annually for persons aged 65 years or older. Screening results are not a diagnosis, and individuals with below-normal scores or who have concerns are encouraged to pursue a full medical exam.

**WHAT:** Memory Research Suite

**WHEN:** March 6-8, 2017 | 9:30am-3:00pm  
Call (813) 455-2512 or (813) 396-0611  
to make a memory screening appointment

**WHERE:** Publix at Plantation Square  
5375 N Socrum Loop Rd, Lakeland, FL 33809

The Memory Research Suite features a reception area, patient exam room, two testing rooms, an Americans with Disability Act compliant restroom, a phlebotomy area for blood draws as well as central air conditioning and wireless Internet access. The 400-square-foot research space will be staffed by clinical experts from the Byrd Institute who will evaluate study participants and administer investigational medications at pre-selected study sites. The final mobile suite design was the result of collaboration with industry leaders from research organizations including the pharmaceutical industry.
